CHARISMA
Cultural Heritage Academy for Risk Management

CHARISMA

Cultural Heritage Academy for Risk Management

PROJECT PURPOSE

To develop a new VET curriculum to match the job market needs of the Cultural Heritage sector in the face of climate change, formalising the skills and competences needed by the Risk Manager of Cultural Heritage.

PROJECT PARTNERS

SPECIFIC OBJECTIVES

To **gather evidence** and **raise awareness**

To research the **job market needs**

To prototype a **digital tool**

To create a **modular training course**
